He cut his throat, stabbed him-fover the heart and slashed his wrists, the a dull pocket knife, while in the stel Cullen layatory. When found he representation of Thompson. There is a strong sentiment in favor of the nomination of the pleasant view. The provestrong the pro lay unconscious on the floor, blood oozlag from the ragged gashes he had inflieted. He was taken to the White Cross
sanitarium, 253 South West Temple street,
and last night his condition was reported to be dangerous.

Murphy is 55 years of age. He had
made and lost a fortune. In the hope
of gaining another he went to the Bullfrog district. He came to Salt Lake with
dreams of financing a mining company.

There is a strong
sentiment in favor of the nomination of
J. W. Houston, which may prove strong
enough to substitute the name of the
real estate man for that of the capitalist at the head of the American ticket.

The renomination of Mayor Richard P.
Morris has been conceded from the beginning, There has been no opposition
to the mayor in the Democratic ranks,

The remainder of the increased supply
has been secured from the Dudler estate,
which has rights to the flow of Parley's
creek.

This arrangement will materially relieve
the water situation during the "short"
months between now and the first of the
year.

The Big Cottonwood water will be
available before the "short" season arginning. There has been no opposition to the mayor in the Democratic ranks, and from present indications the opposition from the outside will not be serious. He will stand squarely many be serious.

and from present indications the opposition from the outside will not be serious. He will stand squarely upon his record of the past two years, backed by his record since he first entered public life in this city.

William J. Lynch is the present chief of police, reappointed by Mayor Morris soon after he entered office. He is closely identified with the Smoot-Cutler element in his party through family ties and associations. A desperate effort has been made to secure W. S. McCornick, but it has failed. George T. Odell is favored by a large faction of the party and he may yet figure in the convention. Frank J. Hewlett, president of the city council, who has been flirting with the nomination for some time past, is permanently withdrawn from the race by his brother, Orson F. Hewlett, It is taken for granted that Mr. Hewlett will now go after the nomination for the long term in the council from the First ward.

it all while drinking heavily. When he realized his condition, he talked discouragingly of his prospects and said he had "about played out his string."

He had a number of friends among Salt Lake mining men. A few days ago he received an order on J. P. Gardner's store and purchased some clothing. He kept on drinking steadily and was on the verge of delirium tremens Thursday night.

Former Resident of Leadville.

Murphy lived in Leadville a number of years ago and while there was a mining expert. He served several terms there as alderman and was prominent in polities. He had considerable money then, but sunk it in mining properties. He afterwards went to New Mexico and Arizona and did some prospecting. He went into Bulifrog when the camp was first opened up but failed to get hold of a good claim. He hoped to recoup his losses through the option he held, which expired.

FAILURE TO FINANCE MINING

During the night Murphy was delirious with fever, and Dr. A. C. Ewing, who attended him, says there is little hope of his recovery. He stabbed himself about thirty times, but none of the gashes touched a vital spot. The knite he used was rusty and dull and the cuts inflicted were not deep.

Murphy claimed he was associated with San Francisco capitalists and that the company intended to put the stock on the market. He had some money when he first came to Sait Lake, but he spent it all while drinking heavily. When he realized his condition, he talked discouragingly of his prospects and said he had "about played out his string."

He had a number of friends among Sait Lake mining men. A few days ago he received an order on J. P. Gardner's store and purchased some clothing. He kept on drinking steadily and was on the verge of delirium tremens Thursday night.
